## DESCRIPTION

At Johnson & Johnson, we're creating a future where disease is a thing of the past by fighting sickness with science, improving access with ingenuity, and healing hopelessness with heart. Join us as we highlight the latest data surrounding our innovative advanced prostate cancer products.

The consultant is a paid speaker for Janssen, the speaker is presenting on behalf of Janssen and must present information in compliance with FDA requirements applicable to Janssen.

In adherence with PhRMA guidelines, spouses or other guests are not permitted to attend company-sponsored programs. For all attendees, please be advised that information such as your name and the value and purpose of any educational item, meal, or other items of value you receive may be publicly disclosed.

If you are licensed in any state or other jurisdiction, or are an employee or contractor of any organization or governmental entity, that limits or prohibits meals from pharmaceutical companies, please identify yourself so that you (and we) are able to comply with such requirements.

Please note that the company prohibits the offering of gifts, gratuities, or meals to federal government employees/officials.
