# Can't-miss events

Check the online program for more information on all of these events and more!

## 2025: A POCUS Space Odyssey

Wednesday, April 23

10:30 a.m. - 12:30 p.m. | 2:45 - 4:45 p.m.

**In this highly interactive, escape room style event**, participants work in teams of six to race against the clock to determine the cause of a system failure aboard a starship and get the ship and its crew back home safely. The teams will be taught the basic point-of-care ultrasound (POCUS) skills they will need to solve the challenging puzzles.

*Registration required, visit the Registration Desk to learn more.*

*Proudly sponsored by EchoNous.*

## The Second Annual MED-TED Competition

Wednesday, April 23 | 2:45 - 4:15 p.m.

**This fast-paced teaching competition** will feature seven junior hospitalists delivering their best 8-minute presentations on a topic of their choosing. The winner will be guaranteed to present a session at SHM Converge 2026 in Nashville.

## Research Shark Tank

Wednesday, April 23 | 3:55 - 4:55 p.m.

**See the contestants pitch their innovative ideas** to an expert panel of judges and provide your own feedback on these new and exciting concepts.

# Featured Speakers

## Sandeep Jauhar, MD, PhD

*Our Emotional Lives Are Written on Our Hearts: Health, Wellness, and Burnout in Clinical Practice Today*

**Wednesday, April 23 | 1:35 - 2:35 p.m.**

Sandeep Jauhar is a practicing cardiologist who is also a contributing opinion writer for the *New York Times* and the author of three bestselling books. He has appeared on National Public Radio, CNN, and MSNBC to discuss issues related to medicine. His essays have also been published in the *Wall Street Journal*, *Time*, and *Slate*. His TED Talk on the emotional heart was one of the 10 most watched TED Talks of 2019.

---

## Vineet Arora, MD, MAPP

*The Dean's List: Lessons for Succeeding in Hospital Medicine*

**Friday, April 25 | 8 - 8:45 a.m.**

Vineet Arora is an academic hospitalist who specializes in improving the learning environment for medical trainees and the quality, safety, and experience of care delivered to hospitalized adults. She is an internationally recognized expert on patient handoffs in health care and also has extensive expertise in using technology such as social media to improve workplace learning in teaching hospitals. Her educational videos on handoffs, supervision, professionalism, and costs of care have been used by numerous educators around the country and have been featured on NPR and in the *New York Times*.

# Networking Opportunities

## **New Member & First-Time Attendee Breakfast**

**Wednesday, April 23 | 7 - 8 a.m.**

Calling all first-time attendees and new SHM members! Gather over breakfast to network and hear about all that Converge and SHM membership have to offer.

## **Resident & Student Luncheon**

**Wednesday, April 23 | 11:50 a.m. - 1:20 p.m.**

This event is a dedicated opportunity for residents and students to meet and engage with distinguished faculty who have a wide range of clinical and topic expertise across the field of hospital medicine. The intent is to provide trainees with a casual and low-pressure atmosphere with ample opportunity to hear about, and ask questions surrounding, how to forge a career path as a hospitalist. We encourage attendees to come hungry and with all their burning questions!

*This program is made possible by a sponsorship from Vituity.*

## **Research, Innovations, & Clinical Vignettes (RIV) Scientific Abstract Competition**

**Wednesday, April 23 | 5:15 - 6:15 p.m.**

Enjoy a refreshment as you peruse the cutting-edge work displayed from our finalists in the RIV abstract competition. You will also have the opportunity to talk with the presenters and ask any questions you may have about their topic.
